# On Wikileaks, Bitcoin, Copyleft - Three Critiques of Hacktivism

The first issue of *Furball* with the title *On Wikileaks, Bitcoin, Copyleft - Three Critiques of Hacktivism* is available. *Furball* is the imprint under which we plan to publish pamphlets now and then in the future.

Our pamphlet on hacktivism collects

- Wikileaks - The State Persecutes its Idealists ([web](#))
- Bitcoin - Finally, Fair Money?, and ([web](#))
- Free Property – On Social Criticism in the Form of a Software Licence ([web](#))

The pamphlet is available in three formats

[PDF](#) [EPUB](#) [MOBI](#)

Hard copies are available from [Active Distribution](#), [AK Press and Distribution](#) and [Stimulants](#). Get in touch if you would like to get copies for distribution.
